RESPONSE TO ELECTION OF SPECIES

Mail Stop: Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

In response to the election of species requirement set forth in the Office Action mailed December 9, 2004, the Applicant hereby elects, with traverse, the species of Figures 3 and 4. The Examiner has indicated in the Office Action that Figures 3 and 4 each depict a different species, but Figures 3 and 4 are actually just different views, one exploded and one assembled, of a single species. Claims 1-4, 7-18, 21, 22, 28, 53, and 58-61 are readable on the elected species. These same claims 1-4, 7-18, 21, 22, 28, 53, and 58-61 are also generic, in that they each read on the elected species and on at least one of the non-elected species.

Should the Examiner wish to discuss this further, he is respectfully invited to contact the undersigned at the number provided below.

Respectfully submitted,

*Julie M. Nickols*
